

Rochester Hotel the Hampton Inn Rochester North Debuts New Guestrooms & Website

All 118 Hampton Inn Rochester hotel rooms received a total makeover in a 5 month extensive renovation project

September 21, 2011, Rochester, NY –[Rochester hotel](#) the Hampton Inn Rochester North, located in Greece New York, has recently completed an extensive renovation project which focused on not only updating their guestrooms, but launching a new website as well. “This project has taken 5 months to complete, but it was well worth the wait. We are all very proud of the end result”, stated Hampton Inn Rochester North’s General Manager, Tamara Evans.

Each one of this Rochester hotel’s 118 guestrooms received brand new carpeting, new textured wall treatments, a fresh coat of paint, new modern artwork and mirrors along with a refrigerator and microwave. “A lot of our frequent guests have made a point to tell our team members how much they are enjoying the new [Rochester hotel rooms](#)”, Tamara added. The hotel in Rochester worked along side their management company, New Castle Hotels and Resorts, to make sure every detail of this renovation was completed seamlessly and perfectly.

Hampton Inn Rochester North has also developed a new, user friendly website as a part of the renovation project. The new website features vibrant pictures of the newly renovated guestrooms, simple online reservations and plenty of information on Rochester New York events and attractions.

The Greece NY hotel is also home to many sports teams visiting the Rochester area. With large guestrooms featuring two double beds or a King bed with pullout sofa, fridges, microwaves and complimentary hot breakfast, the hotel offers perfect [Rochester team sports accommodations](#). Complimentary parking for buses, a heated pool, PreCor fitness room and whirlpool spa make this Rochester hotel the ideal location for teams attending Rochester attractions and events.
